

Mr. M. W. Chapman;

Dear Madam -

Shasten to  
correct a misapprehension under which you  
are laboring with regard to the call for an  
A. S. meeting in Middlesex. That meeting was  
agreed upon at the close of a large Saturday  
meeting in Watwick, and the call was prepared  
without any knowledge of a previous one having  
been issued. I assure you there was no collusion  
of any kind, with any man or party of men.  
We shall attend the meeting next Monday in  
good faith, and hope that it may advance  
the great cause of Universal Liberty.

Thine for that cause,

W. M. Denison.
